

Title: easel

Who: Darren White, Devan Birmingham, Raymond Miller, Eric Lindemann, Nick Zimmerman

Methodologies: used Waterfall, Agile, Pair Programming, Unit Testing

Project Tracker: Trello

<https://trello.com/b/0evdLr9c/easel>

Project Plan:

A screenshot of a Trello board titled 'easel' with a blue background. The board is organized into four columns: 'Tentative', 'To Do', 'Doing', and 'Done'. Each column contains a list of tasks represented as cards. The 'Tentative' column has five cards, 'To Do' has three, 'Doing' has three, and 'Done' has sixteen. Each card has a title and some have a comment icon with a number. The board is set to 'Public' and includes a search icon and a star icon at the top left.

Completed Project Status: As we had detailed during our final presentation, we are still working on completing certain aspects of the product. The collaboration tool is not fully functional. We feel that we have a good, useful product, but in order to meet all of our goals for the product further work on completing and adding features is necessary.
